AMENDMENTS TO THE CLAIMS

Below is the entire set of pending claims pursuant to 37 C.F.R §1.121(c)(3)(i), with

mark-ups showing the changes made in the present Amendment:

1.   (Presently amended) A~An~ algorithm exchange for providing access to

coloring algorithms, said ~color~algorithm exchange comprising:

a server for providing access to a plurality of coloring algorithms to a

client computer; and

a database for storing a plurality of color measurements for use as inputs

to the coloring algorithms.

2.   (Original) The algorithm exchange of claim 1, wherein the database stores

the plurality of coloring algorithms.

3.   (Original) The algorithm exchange of claim 1, wherein the server further

comprises:

a computer readable medium for storing a script program, said script program

providing access to the plurality of coloring algorithms.

4.   (Presently amended) A method for using a coloring algorithm, said

method comprising:

receiving a selection from a client computer of a particular one of a plurality of

coloring algorithms at a server ~computer~; and

receiving color measurements as inputs to the particular one of the plurality of coloring algorithms.

5.   (Original) The method of claim 4, wherein receiving color measurements as inputs to the particular one of the plurality of coloring algorithms further comprises:

receiving a selection from the color measurements from a database at the server.

6.   (Presently amended) The method of claim 4, wherein receiving color measurements as inputs to the particular one of the plurality of coloring algorithms further comprises:

receiving the color measurements from the client terminalcomputers.
